Busting myths about working in an insurance brokerage operations centre. Facts about our European Business Support Center

Do you think that the insurance industry is boring and that Marsh EBSC offers very few development opportunities? Are you of the opinion that in a company like Marsh only English counts, and women stand no chance? Join Marta's webinar and find out for yourself!

Marta Steer – is the leader of the Marsh European Business Support Centre and is a board member of the MMC Group Services. She is also a member of the 30% PercentClub Poland. Under her leadership, Marsh EBSC won the 2021 "CCE Business Services Award". In her work, she focuses on driving best practice implementation, change management, client satisfaction, and striving for operational efficiency. Marta holds a Bachelor's degree in Business Administration (Bryant University in Rhode Island, USA), and an Executive MBA (SGH in collaboration with Carlson School of Management).

11.00–12.30

What you need to know when going for a job interview at Schneider Electric – Tips + Q&A

The goal of Schneider Electric is to empower everyone to make the most of their energy and resources, bridging progress and sustainability for all. We call this approach "**Life Is On**". Our mission is to be a digital partner for Sustainability and Efficiency. It does not mean that we only need engineers in our company. Join the meeting if you want to find out what type of professionals we are looking for, what job openings we have, how we run recruitment processes, and how you can prepare for it.

The workshop will be conducted in **English**.

You are studying Swedish or Norwegian... So now what? Corporate collaboration with Scandinavian countries

We're aiming to present how working in a Scandinavian oriented role looks like from two department's perspective – HR and Customer Care. If you are keen to learn how the pandemic has impacted the working environment, and want to get a hands on experience from collaboration in a corporate environment, and what can you expect from working somewhere between Scandinavian and Polish working culture, we're here to explain a little bit how all of this works. We will also do a short presentation on which skills helped us to get further in our careers.
